### Inspirational Story of the month

Ethan Liso Mc Allister was born on the 18<sup>th</sup> of October 2010. Ethan was born with jaundice that was not treated the correct way by the hospital he was born in and due to that got brain damage and seizures that caused even more damage to his little brain. He was then diagnosed as having Cerebral Palsy.

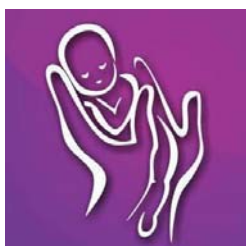

Ethan has been attending our centre for the past 2 years since we opened and he has been a little angel in our presence every day. Ethan attends speech therapy and occupational therapy at the Frere and we assist them with doing his home programs and exercises with him. He has improved a lot in these past 2 years and Ethan even started communication saying yes and no with eye movements and has also starting to make choices between 2 objects! Being part of the activities and being helped to colour in his pictures and doing his paintings is some of the things that makes this little man extremely happy. We try and assist him and his friends as much as possible to join in with activities that a body abled child could do.

The care givers take it on themselves to make him part of outside play as well—from swinging to sitting to riding scooter, all with the aid of one of our amazing care givers holding him on their lap. This is the type of fun activities that Ethan loves!

Physio is not one of Ethan's favourite past times, but with the encouragement from the staff we help him through it every day. With a little smile here and there from our big boy we work together to build up his muscles.

Not a day goes past that little Ethan does not smile. He is such a blessing and inspiration to all of us. Sometimes we need to be reminded that life is not all about what we want, but we must make the best of the situation we are in. God puts these special little angles on our paths to teach us daily lessons!

We are blessed to assist little Ethan become the man that God intended him to be.

# Fundraising Events!

## Happy Valentines Day!

We kicked the year off with our first cupcake and raffle fundraiser. What a huge success it was! Thanks to everyone who purchased their special cupcakes for their loved ones! Congrats to Tertia Peterson for winning the photo Shoot!

## Thank You!

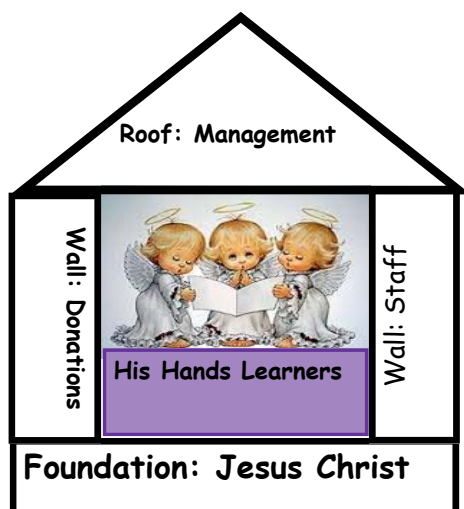

Without your support we wouldn't be able to keep doing what we do!

Two special ladies—Louisa & Roxanne have taken the initiative to organise a fundraiser in aid of the centre! Please come and support the event taking place on the 10th of June @ Willow Park Primary. Please contact these ladies if you would like to book a stall or if you need any further info!

Good Luck Ladies!

His Hands Care Centre currently has 13 children. As we are a Non-Profit Organisation we rely 100% on the generosity of our fellow East Londoners to keep our doors open. As we have no government support, covering our monthly expenses like Rent, Salaries & food has become quite a strain, so any donations would be welcomed. If you or your company would like to get involved, please give us a shout.

(All donations can be claimed from Income Tax)
